## About AFBA

The Armed Forces Benefit Association (AFBA) was established in 1947 to promote the general welfare and economic interests of military families during war and peace. At the time, service members could not purchase life insurance that would pay a benefit if the member was killed in a war zone. Today, we serve over 535,000 members in the armed forces, government employees and contractors, law enforcement, firefighters, and emergency medical personnel.

Since 1947, we have paid over \$2 billion of survivor benefits to the families of our members. Survivor benefits are funded by life insurance underwritten by 5Star Life Insurance Company.

\* EDB is released within one business day once all requirements are met. It can be done over the phone without the need to provide a death certificate as long as third-party proof of death can be verified (subject to contestability).

Member death benefits provided by AFBA are underwritten by 5Star Life Insurance Company (a Lincoln, Nebraska company) with an administrative office at 909 N. Washington Street, Alexandria, VA 22314. Member death benefits not available in all states and U.S. territories.
